GENERAL PROVISIONS

§ 154.01 FINDINGS; PURPOSE; AUTHORITY.

(A) Pursuant to G.S. § 160A-441, it is hereby found and declared that there exist in the town's corporate limits dwellings which are unfit for human habitation due to dilapidation, defects increasing the hazards of fire, accidents and other calamities, lack of ventilation, light and sanitary facilities, and due to other conditions rendering the dwellings unsafe and unsanitary, and dangerous and detrimental to the health, safety and morals, and otherwise inimical to the welfare of the residents of the town.

(B) In order to protect the health, safety and welfare of the residents of the town, as authorized by G.S. Chapter 160A, Article 19, Part 6, it is the purpose of this chapter to establish minimum standards of fitness for the initial and continued occupancy of all buildings used for human habitation, as expressly authorized by G.S. § 160A-444.

(C) In addition, it is hereby found and declared, under the authority of G.S. § 160A-174, that there exist in the town dwellings which, although not meeting the classification as unfit for human habitation, fail to fully comply with all the minimum standards for housing fitness as established herein and therefore have present one or more conditions which are inimical to the public health, safety and general welfare. Such conditions, if not corrected, can lead to deterioration and dilapidation of dwellings which render them unfit for human habitation.

(Ord. passed 12-21-2010)

§ 154.02 SCOPE.

(A) This chapter is hereby declared to be remedial and shall be construed to secure the beneficial interests and purposes thereof which are public safety, health and general welfare through structural strength, stability, sanitation, adequate light and ventilation and safety to life and property from fire and other hazards incident to the construction, alteration, repair, removal, demolition, use and occupancy of dwellings, apartment houses, rooming houses or buildings, structures or premises used or intended for use as such.

(B) The provisions of this chapter shall apply to all existing housing and to all housing hereafter constructed within the town. Portable, mobile or demountable buildings or structures, including trailers, manufactured homes and mobile homes when used or intended for use for housing within the town, shall be subject to the applicable provisions of this chapter. This chapter establishes minimum requirements for the initial and continued occupancy of all buildings used for human habitation and does not replace or modify requirements otherwise established for the construction, repair, alteration or use of buildings, equipment or facilities except as provided in this chapter.

(C) The provisions of this chapter shall also apply to abandoned structures which are found by the Town Council to be a health or safety hazard as a result of the attraction of insects or rodents, conditions creating a fire hazard, dangerous conditions constituting a threat to children or frequent use by vagrants as living quarters in the absence of sanitary conditions.
(Ord. passed 12-21-2010)

(B) If, after notice and hearing the Housing Inspector determines that the dwelling under consideration is not unfit for human habitation but is not in full compliance with one or more standards of dwelling fitness as set forth above, he or she may proceed with the enforcement procedures of this code, civil or criminal or both.

(1) Cause the dwelling to be vacated and removed or demolished; or

(2) Cause to be posted on the main entrance of the dwelling, a placard with the following words: "This building is unfit for human habitation; the use or occupation of this building for human habitation is prohibited and unlawful." Occupation of a building so posted shall constitute a violation of this chapter.

(C) The duties of the Housing Inspector set forth in divisions (A) and (B) above shall not be exercised until the Town Council shall have by ordinance ordered the Housing Inspector to proceed to effectuate the purpose of this chapter with respect to the particular property or properties which the Housing Inspector shall have found to be unfit for human habitation and which property or properties shall be described in the ordinance. No such ordinance shall be adopted to require demolition of a dwelling until the owner has first been given a reasonable opportunity to bring it into conformity with the Housing Code. For the purposes of this division (C) a period of 90 days following the date of the Housing Inspector's order shall constitute a reasonable opportunity. That ordinance shall be recorded in the office of the Register of Deeds in the county wherein the property or properties are located and shall be indexed in the name of the property owner in the grantor index.

(D) The amount of the cost of repairs, alterations or improvements, or vacating and closing, or removal or demolition by the Housing Inspector shall be a lien against the real property upon which the

cost was incurred, which lien shall be filed, have the same priority and be collected as the lien for special assessment provided in G.S. Chapter 160A, Article 10. If the dwelling is removed or demolished by the Housing Inspector, he or she shall sell the materials of the dwelling, and any personal property, fixture or appurtenances found in or attached to the dwelling, and shall credit the proceeds of the sale against the cost of the removal or demolition and any balance remaining shall be deposited in the Superior Court by the Housing Inspector, shall be secured in a manner directed by the Court, and shall be disbursed by the Court to the persons found to be entitled thereto by final order of the decree of the Court.

(E) If any occupant fails to comply with an order to vacate the dwelling, the Housing Inspector may file a civil action in the name of the town to remove the occupant. The action to vacate the dwelling shall be in the nature of summary ejectment and shall be commenced by filing a complaint naming as parties-defendant any persons occupying the dwelling. The Clerk of Superior Court shall issue a summons requiring the defendant to appear before a magistrate at a certain time, date and place not to exceed ten days from the issuance of the summons to answer the complaint. The summons and complaint shall be served as provided in G.S. § 42-29. The summons shall be returned according to its tenor, and if on its return it appears to have been duly served, and if at the hearing the Housing Inspector produces the certified copy of an ordinance adopted by the Town Council pursuant to division (C) authorizing the Housing Inspector to proceed to vacate the occupied dwelling, the magistrate shall enter judgment ordering that the premises be vacated and that all persons be removed. The judgment ordering that the dwelling be vacated shall be enforced in the same manner as the judgment for summary ejectment entered under G.S. § 42-30. An appeal from any judgment entered hereunder by the magistrate may be taken as provided in G.S. § 7A-228, and the execution of the judgment may be stayed as provided in G.S. § 7A-227. An action to remove an occupant of a dwelling who is a tenant of the owner may not be in the nature of a summary ejectment proceeding pursuant to this division, unless the occupant was served with notice at least 30 days before the filing of the summary ejectment proceeding that the Town Council has ordered the Housing Inspector to proceed to exercise his or her duties under divisions (A), (B) and (C) of this section to vacate and close or remove and demolish the dwelling.

(F) If the Town Council shall have adopted an ordinance, or the Housing Inspector shall have issued an order, ordering a dwelling to be repaired or vacated and closed, as provided in § 154.50, and if the owner has vacated and closed the dwelling and kept the dwelling vacated and closed for a period of one year pursuant to the ordinance or order, then if the Town Council shall find that the owner has abandoned the intent and purpose to repair, alter or improve the dwelling in order to render it fit for human habitation; and that the continuation of the dwelling in its vacated and closed status would be inimical to the health, safety, morale and welfare of the town, in that the dwelling would continue to deteriorate, would create a fire and safety hazard, would be a threat to children and vagrants, would attract persons intent on criminal activities, would cause or contribute to blight and the deterioration of property values in the area, and would render unavailable property and a dwelling which might otherwise

have been made available to ease the persistent shortage of decent and affordable housing in the town; then in those circumstances, the Town Council may, after the expiration of the one-year period, enact an ordinance and serve the ordinance on the owner, setting forth the following:

(1) If it is determined that the repair of the dwelling to render it fit for human habitation can be made at a cost not exceeding 50% of the then current value of the dwelling, the ordinance shall require that the owner either repair or demolish and remove the dwelling within 90 days; or

(2) If it is determined that the repair of the dwelling to render it fit for human habitation cannot be made at a cost not exceeding 50% of the then current value of the dwelling, the ordinance shall require the owner to demolish and remove the dwelling within 90 days.

(G) This chapter shall be recorded in the office of the Register of Deeds in the county wherein the property or properties are located and shall be indexed in the name of the property owner in the grantor index. If the owner fails to comply with this chapter, the Housing Inspector shall effect the purpose of this chapter.

§ 154.52 SERVICE OF COMPLAINTS AND ORDERS.

(A) Complaints or orders issued by the Housing Inspector pursuant to an ordinance adopted under this chapter, except those being prosecuted under the penalty section of this code, shall be served upon persons either personally or by registered or certified mail. When service is made by registered or certified mail, a copy of the complaint or order may also be sent by regular mail. Service shall be deemed sufficient if the registered or certified mail is unclaimed or refused, but the regular mail is not returned by the post office within ten days after the mailing. If regular mail is used, a notice of the pending proceedings shall be posted in a conspicuous place on the premises affected.

(B) If the identities of any owners or the whereabouts of persons are unknown and cannot be ascertained by the Housing Inspector in the exercise of reasonable diligence, and the Housing Inspector makes an affidavit to that effect, then the serving of the complaint or order upon the unknown owners or other persons may be made by publication in a newspaper having general circulation in the town at least once no later than the time at which personal service would be required under the provisions of this chapter. When service is made by publication, a notice of the pending proceedings shall be posted in a conspicuous place on the premises thereby affected.

§ 154.53 APPEALS.

(A) The Board of Adjustment is hereby appointed as the Housing Appeals Board to which appeals from any decision or order of the Housing Inspector may be taken. Except where this chapter provides for different rules or procedures, the Board of Adjustment acting as the Housing Appeals Board shall follow its rules of procedure, which may be amended to provide specifically for this function.

(B) An appeal from any decision or order of the Housing Inspector may be taken by any person aggrieved thereby or by any officer, board or commission of the town. Any appeal from the Housing Inspector shall be taken within ten days from the rendering of the decision or service of the order by filing with the Housing Inspector and with the Board a notice of appeal which shall specify the grounds upon which the appeal is based. Upon the filing of any notice of appeal, the Housing Inspector shall forthwith transmit to the Board all the papers constituting the record upon which the decision appealed from was made. When an appeal is from a decision of the Housing Inspector refusing to allow the person aggrieved thereby to do any such act, his or her decision shall remain in force until modified or reversed. When any appeal is from a decision of the Housing Inspector requiring the person aggrieved to do any act, the appeal shall have the effect of suspending the requirement until the hearing by the Board, unless the Housing Inspector certifies to the Board after the notice of appeal is filed with him or her, that because of facts stated in the certificate (a copy of which shall be furnished the appellant), a suspension of his or her requirement would cause imminent peril to life or property. In that case the requirement shall not be suspended except by a restraining order, which may be granted for due cause shown upon not less than one day's written notice to the Housing Inspector, by the Board, or by a court of record upon petition made pursuant to division (E) of this section.

(C) The Board of Adjustment shall fix a reasonable time for hearing appeals, shall give due notice to the parties, and shall render its decision within a reasonable time. Any party may appear in person or by agent or attorney. The Board may reverse or affirm, wholly or partly, or may modify the decision or order appealed from, and may make any decision and order that in its opinion ought to be made in the matter, and to that end it shall have all the powers of the Housing Inspector, but the concurring vote of four-fifths of the members of the Board shall be necessary to reverse or modify any decision or order of the Housing Inspector. The Board shall have power also in passing upon appeals, when practical difficulties or unnecessary hardships would result from carrying out the strict letter of the chapter, to adapt the application of the chapter to the necessities of the case to the end that the spirit of the chapter shall be observed, public safety and welfare secured, and substantial justice done.

(D) Every decision of the Board shall be subject to review by proceedings in the nature of certiorari instituted within 15 days of the decision of the Board, but not otherwise.

(E) Any person aggrieved by an order issued by the Housing Inspector or a decision rendered by the Board may petition the Superior Court for an injunction, restraining the Housing Inspector from carrying out the order or decision and the Court may, upon the petition, issue a temporary injunction

restraining the Housing Inspector pending a final disposition of the cause. The petition shall be filed within 30 days after issuance of the order or rendering of the decision. Hearings shall be had by the Court on a petition within 20 days, and shall be given preference over other matters on the Court's calendar. The Court shall hear and determine the issues raised and shall enter the final order or decree as law and justice may require. It shall not be necessary to file bond in any amount before obtaining a temporary injunction under this division.

§ 154.54 ALTERNATIVE REMEDIES.

(A) Nothing in this chapter nor any of its provisions shall be construed to impair or limit in any way the power of the town to define and declare nuisances and to cause their removal or abatement by summary proceedings or otherwise nor shall enforcement of one remedy provided herein prevent the enforcement of any other remedy or remedies provided herein or in other ordinances or laws. In addition to the remedies provided for herein, any violation of the terms of this chapter shall subject the violator to the penalties and remedies, either criminal or civil or both, as set forth in the penalty section of this code of the town (see § 10.99).

(B) No dwelling shall be hereafter erected, altered, moved or changed in occupancy without a certificate of occupancy. In any case where the Housing Inspector, after notice and hearing as required herein, finds that a dwelling or dwelling unit is unfit for human habitation, he or she shall withhold issuance of a certificate of occupancy for the dwelling or dwelling unit until the time that he or she determines that it is fit for human habitation. In addition, in any case where the Housing Inspector, after preliminary investigation as provided for herein, concludes, based upon that investigation, that a dwelling or dwelling unit is unfit for human habitation and believes that the occupancy of the dwelling or dwelling unit could cause imminent peril to life or property from fire or other hazards, he or she shall withhold issuance of a certificate of occupancy for the dwelling or dwelling unit until the time that he or she determines that it is fit for human habitation.

(C) If any dwelling is erected, constructed, altered, repaired, converted, maintained or used in violation of this chapter or of any valid order or decision of the Housing Inspector or Board made pursuant to any ordinance or code adopted under authority of this chapter, the Housing Inspector may institute any appropriate action or proceedings to prevent the unlawful erection, construction, reconstruction, alteration or occupancy, to restrain, correct or abate the violation, to prevent the occupancy of the dwellings, or to prevent any illegal act, conduct or use in or about the premises of the dwelling.

(Ord. passed 12-21-2010)

§ 154.55 CONFLICT WITH OTHER PROVISIONS.

In the event any provision, standard or requirement of this chapter is found to be in conflict with any provision of any other ordinance or code of the town, the provision which establishes the higher standard or more stringent requirement for the promotion and protection of the health and safety of the residents of the town's jurisdiction shall prevail. The *North Carolina State Building Code*, current edition, shall serve as the standard for all alterations, repairs, additions, removals, demolitions and other acts of building made or required pursuant to this chapter.
(Ord. passed 12-21-2010)

§ 154.56 VIOLATIONS.

In addition to the conditions, acts or failures to act that constitute violations specified in this chapter above, it shall be unlawful for the owner of any dwelling or dwelling unit to fail, neglect or refuse to repair, alter or improve the same, or to vacate and close or vacate and remove or demolish the same, upon order of the Inspector duly made and served as herein provided, within the time specified in the order. It shall be unlawful for the owner of any dwelling, with respect to which an order has been issued pursuant to § 154.50, to occupy or permit the occupancy of the same after the time prescribed in the order for its repair, alteration or improvement or its vacation and closing, or vacation and removal or demolition.

§ 154.57 REPEAL AND REENACTMENT OF EXISTING HOUSING CODE.

The rewriting of this chapter in part carries forth by reenactment some of the provisions of the existing Housing Code of the town and it is not intended to repeal but rather to reenact and continue in force those existing provisions so that all rights and liabilities that have been accrued are preserved and may be enforced. All provisions of the Housing Code which are not reenacted herein are hereby repealed. All suits at law or in equity and/or all prosecutions resulting from the violation of the Housing Code in effect, which are now pending in any of the courts of this state or of the United States, shall not be abated or abandoned by reason of the adoption of this chapter, but shall be prosecuted to their finality the same as if this chapter had not been adopted; and any and all violations of the existing chapter, prosecutions for which have not been instituted may be filed and prosecuted; and nothing in this chapter shall be so construed as to abandon, abate or dismiss any litigation or prosecution now pending and/or which may have been instituted or prosecuted.
